Name	Center for Science and Technology Policy Research
Web	<a href="http://sciencepolicy.colorado.edu/">http://sciencepolicy.colorado.edu/</a>
Description	The Center for Science and Technology Policy Research was initiated within the Cooperative Institute for Research in Environmental Sciences (CIRES) at the University of Colorado-Boulder in the summer of 2001 as a contribution both to the CIRES goal of “promoting science in service to society” and to the University’s vision of establishing research and outreach across traditional academic boundaries. CSTPR seeks to improve how science and technology policies address societal needs, through research, education and service.
Logo	The logo for the Center for Science & Technology Policy Research features the text "CENTER FOR SCIENCE & TECHNOLOGY POLICY RESEARCH" in a bold, blue, sans-serif font. To the right of the text is a stylized graphic of vertical bars of varying heights, resembling a bar chart or a signal waveform.
